Attendees are invited to visit booth #E01 in the exhibition hall where supply chain experts will be showcasing CommerzEdge and Ariba CSC live-demos to share how Intrigo's custom-built planning, procurement, and manufacturing solutions can transform businesses into digital enterprises.

During the conference, Intrigo will provide unique insights on key topics including:

- **Leveraging a single procurement platform with CSC and P2P**
- **Digitally Transacting across Multiple Networks with SellerEdge**
- **Increasing Supplier Adoption on the Ariba Network with ConnectEdge**
- **Integrating Catalog Management Capabilities from Ariba**

Realizing the Value of Digital Procurement

“Ariba Live is the perfect opportunity for Intrigo to showcase its Collaborative Supply Chain (CSC) solutions for companies looking to accelerate direct material sourcing using the Ariba Network,” said Raj Manickam, Vice President of Asia Pacific at Intrigo Systems. “Intrigo offers CSC solutions and a supplier on-boarding accelerator that can help provide an efficient supply chain and simplify collaboration with suppliers for materials and services. We have been instrumental in the deployment of Ariba's CSC and can help companies shorten their supplier on-boarding process.”
