

## **Intrigo Systems Shares Expertise at NASCES and Best Practices for Automotive Events in September**

**FREMONT, CA— September 6, 2018 —** Intrigo Systems, a leading provider of enterprise and cloud solutions in e-commerce, supply chain and procurement, is pleased to announce participation in two upcoming events this month.

The North American Supply Chain Executive Summit (NASCES), taking place in Chicago on September 11-12, 2018 at the Westin Chicago North Shore Hotel. As a speaker at the conference, Steven Birgfield, VP of Information Technology and Services of Blue Diamond Growers will highlight a recent successful implementation and resulting impact of the project led by Intrigo Systems. The workshop, entitled "From the Farm to the Table: Leveraging SAP IBP for Orchestrating Demand and Supply Chain Planning" will be held in Room 3 at 11:40am on September 11, 2018.

"NASCES and Best Practices for Automotive are two prestigious events that bring together senior supply chain executives and practitioners to discuss the latest trends and share best practices," said Jacques Muratori, EVP of North America Sales. "We are honored to be invited to, and have our customer present at, these events. We look forward to networking with fellow supply chain thought leaders and contributing to the discourse."

The Best Practices for Automotive Conference is another event in which Intrigo Systems will be interacting with customers and partners on September 11-13, 2018 at the Detroit Marriott at the Renaissance Center. Teammates from Intrigo will be on hand to share guidance from automotive projects.

The complete agendas for the conferences can be found at <https://scl-summit.com/> and <https://auto.bestpracticeconferences.com/>.
